# ABOUT US

A green breeze sweeps across the trade fair

Trade-fair full service from the first to the last minute.

With excellent trade-fair catering, we highlight your presence with impressive food. From star-level dishes at your booth, to an inspiring press breakfast, indulgent crew meals, or a lively customer party to close the event – catering can rarely contribute to your business success as effectively as it does at a trade fair.

Flexible and from a single source, we take care of everything related to catering, offering outstanding value. Rely on our trade-fair experience with national and international brands.

# HOMEBASE

## WE ARE NEAR BY...

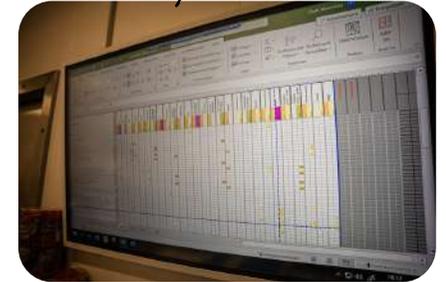

In our production kitchen, which covers an area of approx. 2,000 m<sup>2</sup> and is located directly adjacent to the Munich Trade Fair Centre, we organise the entire production process for our meals in accordance with HACCP guidelines. The production kitchen is located approx. 500 m as the crow flies from the east entrance of the trade fair centre at Otto-Perutz-Straße 16+18 and only approx. 5 kilometres from the city centre.

Thanks to the strategic location of our production kitchen in relation to the exhibition center, we are able to respond quickly to change requests or unforeseen circumstances.

Our production kitchen is also our logistical hub for the temporary storage of all our beverage and consumable supplies.

Our team is well-coordinated, especially when it comes to logistics services beyond event catering at large trade fair events, which we confidently serve with our highly professional staff, effectively incorporating our expertise into your upcoming event.

# ADVANTAGES

## OUR ADVANTAGES ARE YOUR ADVANTAGES

Kofler & Kompanie operates as the official service partner of Messe München with its sub-brand I Fair Foods Munich. As a service partner, we meet Messe München's requirements for the highest quality, performance, reliability, and sustainability. When you work with Fair Foods Munich, you benefit from the following advantages:

- Our vehicle fleet has permanent access authorization, which means we can deliver easily and flexibly at any time without additional costs or deposit payments.
- Provision of free trade fair passes for our staff, which helps to reduce your budget.
- Our production facility, offices, and logistics center are located approximately 500 meters from the east entrance of the exhibition center. This short distance makes us unbeatable in terms of sustainability and response time, even for last-minute reorders.

- During your trade fair presence, we will assign you a dedicated and competent contact person who will be happy to assist you with your requests.
- Thanks to our long-standing partnership with Messe München, we are very familiar with the specific trade fair processes, the contact persons and points of contact at Messe München, and have knowledge of all the local conditions.
- We deliver a modern product with maximum freshness, quality, and taste at a fair price.
